

## *A bequest to us is a benefit to your local community*

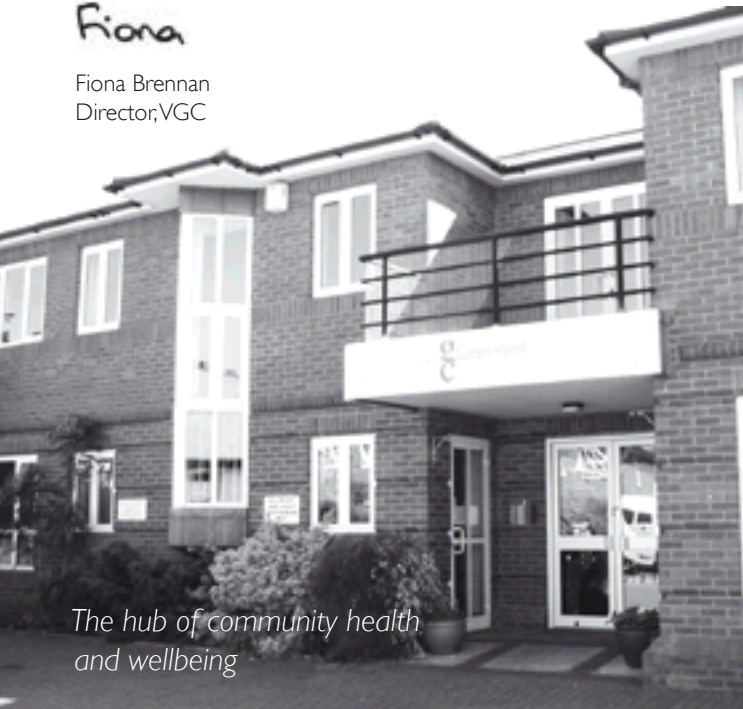

As a small local charity we are constantly having to identify and develop new revenue streams.

Your bequest to Hampton & Hampton Hill Voluntary Care Group is a tax-efficient way of, through us, supporting your local community and helping to ensure that your generosity is long remembered.

If you would like to discuss this community-friendly way of keeping your memory green, please ring me on 020 8941 3902 or email me at [fiona@greenwoodcentre.co.uk](mailto:fiona@greenwoodcentre.co.uk)

## *A new lease of life for Dorothy Gunns*

When her husband died, for two years Dorothy Gunns became a virtual recluse in her struggle to come to terms with her grief. But since being persuaded to join Will and Way at The

Greenwood Centre over a decade ago, her life has changed completely.

Her natural warmth and helpfulness and her knitting skills have made Dorothy a popular and valued Will and Way figure, and to quote the sprightly 87-year-old,

*'The interesting activities and excursions and the wonderful friends I have made are what help to keep me going, as does my membership of the Old People's Fellowship, also meeting at The Greenwood Centre. I cannot speak highly enough of the staff and volunteers of the Hampton & Hampton Hill Voluntary Care Group.'*

*Don't leave the taxman the lion's share*

## Here's a better alternative

Once you have provided for your family and friends, it makes no kind of sense to let the taxman gobble up most of the surplus. Far better to leave at least a proportion of it to your local community charity such as the Hampton & Hampton Hill Voluntary Care Group (VCG).

If you have already made your will, your legacy to the charity can be added by way of a codicil. If you have not yet made a will and may feel a need for some guidance, a list of local solicitors is available at The Greenwood Centre. If you would prefer us to send you a copy, please contact us on 020 8979 9662 or at [vcg@greenwoodcentre.co.uk](mailto:vcg@greenwoodcentre.co.uk).

## How your legacy will help VCG to continue to promote community health and wellbeing

- Addressing and alleviating poverty, exclusion and social deprivation where they occur in the Hamptons.
- Providing advice, information and practical help both via our telephone Helpline and our Neighbourhood Care Project.
- Helping to provide independence and social contact for those unable to use public transport through our Hampton Enterprise door-to-door community transport project.
- Providing affordable facilities for community group activities... educational, health-oriented, social and recreational.
- Recruiting volunteers and offering them training programmes, enabling them to enhance and employ their skills for the benefit of the community.
